Chapter 1 by Adisoccer1223

"Summer Time!" You scream on the top of your lungs. On your left, are the fabulous friends you have made this school year. And on your right, is your boyfriend, Troy Bolton. For the first time in your life, things are really starting to look up.

Chapter 2 by Adisoccer1223

You thought back to when you were younger, and were known only as the freaky genius girl in your class. You smiled and sighed as you reminisced through these old memories. However, it doesn't matter any more. You have a perfect boyfriend, a bunch of friends, and a spotless academic record.

Chapter 4 by Meggy

You said as Troy Handed you a bouquet of flowers and a box of Godiva Chocolates. "You shouldn't have". "I'm your boyfriend, it Valentine's day. What was I supposed to do" he responded shyly. Com'on, I have a lot planned for today. You were standing outside your house at this point, Troy lead to to his blue truck and opened the door to the passenger seat, " You're

carriage awaits," he pushed with red cheeks. "Thank you kind sir," you replied in the most proper British accent you could muster.

He questioned dropping your British tone once both of you were in the car. "So you're British, that information is classified. The king ordered me to take you to the castle." He responded still keeping the accent.

Chapter 5 by Pineapple

You turned suddenly to Troy. "Wait. I thought school got out for summer just now. How is it Valentine's day??"

Troy looked at you, confused. "It's summer? No, it's February! And I'm taking you somewhere special!"

You played along, only because you loved Troy and, well, food.

Troy drove to a spot by the river and pulled over. "Now we walk." He announced.

He practically dragged you out and down the river bank where a large blanket was already waiting for you. "You. Sit down first." Troy's voice was suddenly deeper and rougher. He almost pushed you down on the blanket, then he jumped back.

A large net suddenly fell from the tree above the blanket. "TROY!" You scream. "What's happening!?"

Chapter 6 by xCringe

"MWAHAHAHAHAHA! Foolish girl, you think you can ACTUALLY get the most popular guy in school to date YOU?" Troy said and started laughing evilly. "This is a joke right?" I asked worried and confused. "No." He replied in a serious tone. "I thought you actually liked me, Troy." I said. "You thought wrong." He said mockingly. I began to feel angry. "GET ME OUT OF HERE!" I yelled. "No." Troy said as he walked away. Good thing I had a pocket knife. I cut my way out. Then, out of no where, Troy appeared again to say, "By the way we're done. I'm leaving you for a girl named Gabriella." I started to get really angry. "FINE." I yelled back "I DON'T NEED YOU." Then Troy turned around and smiled at me. "Oh and also, I need to destroy you." Troy then did a dab and his eyes began to glow red. He then grew wings and fangs. "Better run." Troy said and started flying towards me at a high speed.
